Your Story Matters.

Are you in recovery or interested in recovery? Join us for Group Counseling at DCHC to connect with others who are experiencing similar challenges from addiction. This safe space allows individuals to share their struggles and achievements in an encouraging and confidential environment. Whether you'd like to share your story or would just like to listen... we'd love to have you join us!

Fred Fulton, LPC

*"Don't be pushed by your problems,
but led by your dreams."* -Fred Fulton, LPC

Group Therapy at DCHC is led by Fred Fulton, Licensed Professional Counselor. Fred has over 12 years of experience helping individuals overcome mental health & substance use disorders. Through his guidance, Group Counseling at DCHC provides a supportive environment to develop recovery allies and be reminded that you are not alone.
